

# Two tools in one

Your clients can pay wherever they are with Clover Flex.  
It's our handheld, wireless, all-in-one device.

Accept payments. Run your business. Sell more.

# With Clover Flex, you can

## Take all major payment types

Chip and PIN, magnetic stripe, Google Pay®, Apple Pay®, everyday credit and debit cards, plus contactless payments. The only extra you might want to add is a cash till.

## Get to know your customer's data

We'll give you insights into your business. You'll have detailed reports on sales at your fingertips, and get to know your employee and customer behaviour.

## Manage your business with added ease

Whether you need advanced software that helps you manage your stock, improve customer relationships with electronic receipts and online communications, or just the basics – we've got you covered. You can tap into Clover App Market for our specialised apps to help your business run smoothly.
